GET YOUR REFUND FASTER - USE DIRECT DEPOSIT!

Please complete the direct deposit box on the tax return if you want us to directly deposit the amount shown on the refund line of your return into your account at a bank or other financial institution instead of sending you a check.

- 1** Check the appropriate box as to whether the check will be going into a checking or savings account. Please keep in mind you will not receive notification of the deposit.
- 2** Fill out the routing number. The routing number must be nine digits. If the first two digits are not 01 through 12 or 21 through 32, the direct deposit will be rejected and a check will be issued instead. Using the sample check shown below, the routing number is **120120012**.
- 3** Enter your account number. The account number can be up to 17 characters (both numbers and letters). Include hyphens but omit spaces and special symbols. Enter the number from left to right and leave any unused boxes blank. On the sample check shown below, the account number is **2020268620**.

Please Note: The Oklahoma Tax Commission is not responsible if a financial institution refuses a direct deposit. If a direct deposit is refused, a check will be issued to the address shown on your tax return. Also note, the Oklahoma Tax Commission will only issue one payment per bank account number. Therefore, if more than one refund is requested for direct deposit to the same bank account, the second and subsequent payments will be issued by paper check to the address shown on the tax return(s).

WARNING! Due to changes in the electronic banking rules, the Oklahoma Tax Commission will no longer allow direct deposits to or through foreign financial institutions. If you use a foreign financial institution you will be issued a paper check.
